## Please help us make *camp aurora* a reality.

*camp aurora* is a subsidized 4-day summer camp that will focus on building upon and nurturing the leadership capacities and resiliency of lesbian, gay, bisexual, transgender, two-spirit (LGBTT), and allied youth ages 14 to 21. The primary goal is to support LGBTT and allied youth to further develop their self-esteem, decision-making abilities, and leadership skills so that they can make significant contributions to their schools, communities, and home environments.

*camp aurora* is organized through a volunteer committee with assistance provided by the Rainbow Resource Centre.
